C. Personal Information Collection Statement (PICS)

This PICS is available in English and Chinese. In case of discrepancies among the versions, the Chinese version shall always prevail.

HKUST(GZ) Personal Information Collection Statement

The Hong Kong University of Science and Technology (Guangzhou) (the "University") respects the personal data privacy of all individuals and pledges to be in compliance with the requirements of the Personal Information Protection Law ("PIPL") of the People's Republic of China ("PRC") so that the privacy of your personal data is protected in accordance with the standard required by law. In doing so, we require all our staff and agents to comply with the PIPL in the same manner as the PIPL applies to the University as a whole and adhere to the strictest standards of security and confidentiality.

Before providing your personal information ("PI"), please ensure that you have carefully read this Personal Information Collection Statement.

I. Collection of PI

The University collects your PI directly from you when you apply for admission with the University and register to commence study with the University. You will also be required to supply the University with PI from time to time throughout your study. Please also ensure that the information you provided are accurate and complete. The University may collect your PI indirectly from publicly available sources, or from third parties to the extent permitted by the applicable law. Unless otherwise indicated, it is obligatory to supply the requested PI. Failure to provide the requested PI may result in the University not being able to process your admission application or provide you with the necessary support or assistance during your studies with the University, as the case may be, or even result in your inability to continue or complete study at the University, or failure to enjoy the services, benefits and facilities provided by the University. The University will only collect, hold, use and disclose PI to enable the University to meet legal obligations and where it is reasonably necessary or related to one or more of the University's functions or activities.

(1) Types of PI to be collected

Before providing your personal information ("PI") for matters including submitting an admission application to and completing student registration with the University, please read carefully our Personal Information Collection Statement and check the applicable boxes:-

- I have fully read and understood the contents of the Personal Information Collection Statement of the University. I agree that the University may process and protect the PI that I provide to the University pursuant to the Personal Information Collection Statement.
- I understand and acknowledge that the PI that I provide to the University may contain sensitive PI, and I hereby give consent to the University to process such sensitive PI pursuant to the Personal Information Collection Statement.
- I agree that the PI that I provide to the University may be transmitted and stored by the University at its domicile or any other location it may designate.
- I agree that the University may disclose to and/or share with any related third party the PI that I provide to the University, pursuant to the Personal Information Collection Statement.
- I agree that the University may transmit to or grant access from a jurisdiction outside of the PRC the PI that I provide to the University, pursuant to the Personal Information Collection Statement.

(These checkboxes will be enabled when you scroll down to the bottom of the PICS.)
